

JESSICA EVANS

RN

Profile

Hi, I'm Jessi! I'm a passionate healthcare leader and registered nurse with over 15 years of experience blending clinical expertise with strategic business management. I thrive on improving patient care, pioneering innovative healthcare solutions, and empowering teams to achieve excellence.

As the CEO and Executive Director of JLYnn Solutions, LLC, I lead nationwide healthcare operations, delivering specialized home care services while navigating complex regulatory environments. Licensed in both Texas and California, I'm dedicated to lifelong learning and am currently advancing my clinical skills as an MSN/FNP candidate. Let's connect and work together to elevate healthcare standards and make a meaningful impact in people's lives!
